 - c) The Elections Administrator will coordinate, supervise, and handle all aspects of administering this Joint Election in accordance with the provisions of the Texas Election Code and as outlined in this Election Services Contract. Each contracting authority of each Participating Political Subdivision will pay its share of the Election Costs to the Elections Administrator for the equipment, supplies, services, and administrative costs outlined in this Election Services Contract. The Elections Administrator will amend "Attachment A" to reflect the changing estimates of election expenses that are caused by changing circumstances and by the withdrawal of Participating Political Subdivision(s), if any, from this Election Services Contract.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

4) VOTING SYSTEMS

- a) Each Participating Political Subdivision agrees that, during this Joint Election, voters will cast their ballots on three different kinds of voting systems, each of which has been approved by the Texas Secretary of State in accordance with the Texas Election Code and the Texas Administrative Code: Direct Recording Electronic voting machines ("DRE"); an optical scanner voting system ("optical scan"); and a voting system accessible to voters with physical disabilities ("ADA Terminals"). On **April 19, 2016 at 10:00 A.M.**, at the County Elections Department at 2377 N. Stemmons Frwy, Suite 820, Dallas, Texas, the Elections Administrator will test the DRE voting system and the automatic tabulating equipment used for counting ballots at the central counting station. From **April 13 – 21st, 2016, at 10:00 A.M.** at the County Election Equipment Warehouse at 1506 East Langdon Road, Hutchins, Texas, the Elections Administrator will test the optical scan voting system. At least 48 hours before the date and hour of each test, the Elections Administrator will publish a newspaper notice with the date, hour, and place of the testing. The Elections Administrator will establish regional collection sites within the county and a central counting station to receive and tabulate the regular ballots that are cast in this Joint Election and receive the provisional ballots.
- b) The Elections Administrator will provide DREs, precinct ballot counters, and voting booths for this Joint Election. Each polling place will have at least one voting terminal that complies with the Americans with Disabilities Act ("ADA"). During the early voting period, each early voting polling place will have master Personal Electronic Ballot ("PEB") devices and iVotronic DRE machines. For Election Day, the Elections Administrator will allocate voting booths to all of the polling places in amounts reasonably anticipated to be sufficient for the anticipated turnout of voters. - a) The Elections Administrator will select and arrange for the use of and payment for all of the early voting polling places listed in "Attachment B" and the Election Day polling places listed in "Attachment C" subject to the approval of each Participating Political Subdivision. Polling locations identified in Attachments "B" and "C" cannot be changed by a Participating Political Subdivision, but the Elections Administrator may consider changes requested by a Participating Political Subdivision.

- b) Whenever possible, previously used polling places that voters are accustomed to using will be used for the election precincts and partial election precincts in this Joint Election; however, the Participating Political Subdivisions acknowledge that sometimes previously used polling places are not available or appropriate for every election. Accessibility under the Americans with Disabilities Act is an important consideration for all polling places in this Joint Election.
 - c) For polling places that have changed since the most recent election ordered by a Participating Political Subdivision, the Elections Administrator will mail registered voters affected by the changes notice of their new polling place location.

 - b) **This sub-paragraph applies only to an election with no partisan candidate on any ballot.** If a Participating Political Subdivision requests that a person not listed in "Attachment E" be appointed to serve in a specific polling place, but another Participating Political Subdivision requests that a different person be appointed to serve that same polling place, then the Elections Administrator will conduct a drawing by lot from the recommendations, no later than **Friday, March 4, 2016** to resolve the conflict and notify each Participating Political Subdivision affected of the resolution. After the Elections Administrator notifies a person so selected by lot of the polling place where the person will serve, the Elections Administrator is not required to act on further such requests from the Participating Political Subdivisions for that specific polling place.
 - c) If a person appointed as a presiding election judge or alternate election judge becomes ineligible to serve as such in this Joint Election, then the Election Administrator will appoint a replacement presiding election judge or alternate election judge, amend "Attachment E" accordingly, and send each Participating Political Subdivision the amended "Attachment E" by email within five (5) business days.
 - d) If a person is unable or unwilling to serve as a presiding election judge or an alternate election judge, then the Elections Administrator will name a replacement presiding election judge or send each Participating Political Subdivision the amended "Attachment E" by email within five (5) business days.
 - e) The Elections Administrator will provide county training programs, in keeping with Section 32.114 of the Texas Election Code, for all of the presiding election judges, alternate election judges, and election clerks for this Joint Election. The presiding election judges are responsible for notifying the alternate presiding judge and the election clerks for the presiding election judge's polling place of the time and place of each training session. Pursuant to Section 32.114(b), the training programs will be open to the public free of charge.

- f) To serve in this Joint Election, each presiding election judge and alternate election judge must have attended an election judge training session, a mandatory Voter ID law training session, and optical scan training session taught by the Elections Administrator for this Joint Election within the last 12 months. New judges and election clerks that have not attended a mandatory Voter ID Law training session taught by the Elections Administrator for this Joint Election may not serve in this Joint Election.
- g) The Elections Administrator will notify the Participating Political Entities by email and post on the DCED's website the dates, times, and locations of training classes and labs for both Early Voting and Election Day Workers.
- h) To comply with the Federal Voting Rights Act of 1965, as amended, precincts containing more than 5% Hispanic population, according to the 2010 census statistics, are required to have interpreter assistance. If a presiding election judge of such a precinct is not bilingual and is unable to hire a bilingual election clerk, the Elections Administrator may recommend an individual to provide interpreter assistance. If the Elections Administrator is unable to recommend an individual to provide interpreter assistance for such a precinct, the Elections Administrator will notify the Participating Political Subdivision and request assistance in identifying an interpreter. In the event that a bilingual election clerk is hired by the Elections Administrator for a precinct required to have interpreter assistance, the bilingual clerk will be paid according to a rate set by the Elections Administrator. The Elections Administrator will charge that expense to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in this Election Services Contract. A Participating Political Subdivision may pay more money to a bilingual clerk than the rate set by the Elections Administrator, however that expense will be borne by that Participating Political Subdivision individually and that extra expense will not be charged to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in this Election Services Contract.
- i) The Elections Administrator will notify all of the presiding election judges and alternate election judges about the eligibility requirements of Subchapter C of Chapter 32 of Title 3 of the Texas Election Code and Section 271.005 of the Texas Election Code. The Elections Administrator will take the necessary steps to insure that all of the presiding election judges and alternate election judges appointed to serve during this Joint Election are eligible to serve and qualified to serve in this Joint Election. Under Section 32.031 of the Texas Election Code, the presiding election judge for each election precinct shall appoint the election clerks to assist the presiding election judge in the conduct of the election at the polling place served by the presiding election judge on Election Day.

- j) The presiding election judges are responsible for picking up election supplies at the time and place determined by the Elections Administrator, which will be set forth in the letter to the presiding election judges requesting service for this election. Payments for the presiding election judge will be specified in "Attachment A."
- k) Any Participating Political Subdivision electing to pay their election workers for attending a training class or lab must bear that expense separately from the funds deposited into this Joint Election account.
- l) The Elections Administrator will employ and or contract for other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of services, supplies and equipment assistance during the period of Early Voting and on Election Day, and for the efficient tabulation of ballots at the central counting station and regional sites. Part-time personnel will be paid an amount specified in "Attachment A."

7) SUPPLIES AND PRINTING

- a) The Elections Administrator will obtain and distribute all of the election supplies and election printing necessary for this Joint Election, including, but not limited to, all forms, signs, and other materials used by the presiding election judges and clerks at the polling places.
- b) The Elections Administrator will provide maps, if necessary, instructions, and other information that the presiding election judges need to conduct this Joint Election.
- c) Each Participating Political Subdivision must deliver a list to the Elections Administrator of candidates and propositions for their elections. The list must be in English and Spanish. The list must include the ballot positions for the candidates and the propositions. The list must include the correct spelling of each candidate's name and the precise wording of all of the propositions. The Elections Administrator will email each Participating Political Subdivision a Microsoft Word format form for their use to create the required list. As soon as possible after each Participating Political Subdivision has determined its ballot positions for the candidates and propositions in its election, the Participating Political Subdivision must email the completed Microsoft Word format form to the Elections Administrator. The Elections Administrator will use these electronic forms received from the Participating Political Subdivisions to create the ballot styles for this Joint Election. The Elections Administrator will deliver the proposed ballots to the Participating Political Subdivisions for approval. Each Participating Political Subdivision will be responsible for proofreading the proposed ballots and notifying the Elections Administrator of any corrections that are required for their particular ballots. The Elections Administrator is responsible for implementing the corrections made by the Participating Political Subdivisions to their ballots and then producing the ballots for this Joint Election.

8) OPTICAL SCAN CARD BALLOTS

- a) The Elections Administrator will allocate ballots for this Joint Election by determining

the approximate voter turnout for comparable elections in each election precinct or partial election precinct and then adding 25% to that number for each election precinct or partial election precinct. However, the minimum ballot allocation for each election precinct or partial election precinct will range from 25-40% of the registered voters in each election precinct or partial election precinct depending on election type and authorized by the political subdivision (50% is recommended for local liquor elections).

- b) Additional ballots will be available for Early Voting by Mail and for use on Election Day to respond to any polling place that requests additional ballots and printed on an a needed basis. Cost per ballot will be forty-five cents (.45¢).

9) RETURNS OF ELECTIONS

- a) The Elections Administrator will establish and operate a central counting station to receive and tabulate ballots cast in this Joint Election under Chapter 127 of Title 8 of the Texas Election Code.
- b) The Participating Political Subdivisions hereby, in accordance with Sections 127.002, 127.003 and 127.005 of the Texas Election Code, appoint the following central counting station officials:

Presiding Judge: **Dallas County Community College District Representative**

Alternate Presiding Judge: **Dallas Independent School District Representative**

- c) The Central Count Station Manager or her representative will deliver timely, cumulative reports of the election results as election precincts are tabulated. The Central Count Station Manager will be responsible for releasing cumulative totals and election precinct returns from the election to the Participating Political Subdivisions, candidates, press, and the general public by the distribution of hard copies or electronic transmittals (where accessible). The Elections Administrator will operate an election result center to release election results in the Health and Human Services Building, 2377 N. Stemmons Frwy., Suite 820, Dallas, Texas.
- d) The Elections Administrator will link any Participating Political Subdivision's website to DCED's website. Participating Political Subdivisions that want such website linkage

should deliver their website address to the Tabulation Supervisor at DCED.

- e) The Elections Administrator will prepare the unofficial canvass report after all precincts have been counted, and will email a copy of the unofficial canvass to each Participating Political Subdivision as soon as possible after all returns, provisional ballots, and late overseas ballots have been tabulated, but in no event no later than **May 18, 2016**. All Participating Political Subdivisions will be responsible for the official canvass of their respective elections.
- f) The Elections Administrator will be responsible for conducting the post-election manual recount, unless the Texas Secretary of State grants a waiver under Section 127.201 of the Texas Election Code. If no such waiver is given, the Elections Administrator will provide notice and copies of the recount to each Participating Political Subdivision and the Secretary of State's Office. Each Participating Political Subdivision must notify the Elections Administrator if such a waiver has been granted or denied as soon as possible, but no later than five (5) calendar days before Election Day.

10) ELECTION EXPENSES

- a) The Participating Political Subdivisions agree to share the costs of administering this Joint Election as specified in "Attachment A." The Election Administrator will charge a general supervisory fee not to exceed ten (10%) percent of the total cost of this Joint Election as authorized by Section 31.100 of the Texas Election Code. In no event will the ten (10%) percent general supervisory fee be refunded to any Participating Political Subdivision.
- b) Allocation of costs among the Participating Political Subdivisions will be according to a formula based on the average cost per polling place and the allocation of election day tabulators (hereinafter "M100's") in that polling place ("Unit Cost"). The Unit Cost will be determined by dividing the total of the itemized list of estimated election expenses by the total number of polling places. A "Polling Place" will be identified by and defined based on the presence and number of M100's and/or Election Supply Carts ("ESC"). Any Participating Political Subdivision that requests a different combination of precincts in polling places that exceeds the Unit Cost will be billed directly for any excess expenditures (e.g. supplies, equipment, personnel, etc.). **The cost of any special request from a Participating Political Subdivision, which is not agreed upon by all Participating Political Subdivisions, will be borne by the Participating Political Subdivision making the special request.** Each Participating Political Subdivision agrees that no Participating Political Subdivision will be billed less than the minimum of one full Unit Cost as specified in "Attachment A."
- c) The expenses for early voting by mail and personal appearance will be paid by each Participating Political Subdivision as set forth in "Attachment A."
- d) The Elections Administrator will determine the final election expenses to the extent practicable within one hundred and eighty (180) business days after the final canvass of this Joint Election or the runoff election, if any. The Elections Administrator will provide each Participating Political Subdivision with a final, written accounting of all money that

was deposited into, and payments that were made from, the Joint Election account(s) maintained by the Dallas County Treasurer for this Joint Election and the runoff election, if any.

- e) If the Elections Administrator requires additional money to perform its obligations under this Election Services Contract, then the Elections Administrator will bill each Participating Political Subdivision using the same method used to determine each Participating Political Subdivision's required deposit in "Attachment A" of this Election Services Contract ("Final Bill"). The Participating Political Subdivision shall pay the Final Bill within thirty (30) days of receipt except for any amount the Participating Political Subdivision files a timely good faith dispute under Section 17 of this Election Services Contract. After all of the expenses of this Joint Election are paid and disputes, if any, resolved, any monies that remain in the account maintained by the Dallas County Treasurer for this Election Services Contract will be refunded to the Participating Political Subdivisions (the "Refund") as soon as practicable.

11) DEPOSIT OF FUNDS

- a) Attachment A: Cost Audit details the cost and expenses anticipated for this election; Participating Political Subdivisions will initially receive an estimate cost audit. The Final Bill will be distributed as soon as all cost and expenses for the election can be determined. Each Participating Political Subdivision hereby agrees to deposit with the Dallas County Treasurer's Office either half or the full balance of money listed in "**Attachment A: Deposit of Funds Detail**" of this Election Services Contract by the first deposit due date of **Friday, March 4, 2016**. If the Participating Political Subdivision makes a partial initial deposit on or by March 4, 2016, a full and final deposit must be made to the Dallas County Treasurer's office by **Friday, April 1, 2016**. The Dallas County Treasurer's Office will place the money deposited by the Participating Political Subdivisions in a Joint Election account.
- b) The deposit of funds by each Participating Political Subdivision is an express condition precedent to the participation of each Participating Political Subdivision in this Election Services Contract. A Participating Political Subdivision may seek an extension from the Elections Administrator as to the due date for the deposit of funds. Such an extension must be sought in writing and prior to due date for such deposit by the Participating Political Subdivision. Any decision(s) made by the Elections Administrator will be provided in writing to the Participating Political Subdivision. The Elections Administrator, however, shall not be required to grant an extension for the deposit of funds by a Participating Political Subdivision. For any Participating Political Subdivision that fails to deposit the total amounts specified in "Attachment A" by the dates specified in this Election Services Contract or any extension granted by the Elections Administrator, the Elections Administrator will be relieved from the responsibility to perform under this Election Services Contract for such Participating Political Subdivision.
- c) The Elections Administrator will only draw money from this Joint Election account to pay for election expenses that are included in "Attachment A" to this Election Services Contract and for other expenses that the Participating Political Subdivisions agree to in

writing.

- d) If a Participating Political Subdivision withdraws completely from this Joint Election by **Wednesday, March 2, 2016**, then the Elections Administrator will refund (as soon as practicable) that Participating Political Subdivision's deposit, less any money already expended before the withdrawal and less the general supervisory fee authorized by Section 31.100 of the Texas Election Code. In the event of a partial withdrawal from this Joint Election, deposits will not be refunded to the Participating Political Subdivisions.
- e) The Elections Administrator will not make partial refunds to a Participating Political Subdivision if any candidate(s) or propositions appear on the ballot for that Participating Political Subdivision.
- f) Deposits should be made out to Dallas County Elections Department and delivered within the mandatory time frame to:

**Pauline Medrano
Dallas County Treasurer
303 Records Building
509 Main Street
Dallas, Texas 75202**

In the "memo" section of check place Election Escrow Account: 91424

- b) Access to the election records will be available to each Participating Political Subdivision as well as to the public in accordance with the Texas Public Information Act, Chapter 552, Government Code, at the Elections Department, 2377 N. Stemmons Frwy, Suite 820, Dallas, Texas, at any time during normal business hours. This Joint Election's records will then become the responsibility of Dallas County Record Storage for the remainder of the six (6) month preservation period. Dallas County Record Storage will be responsible for the destruction of this Joint Election records after the preservation period. The Elections

Administrator will provide each Participating Political Subdivision a letter of destruction.

- d) The Participating Political Subdivisions must notify the Elections Administrator in writing within three (3) business days after any official or employee of any Participating Political Subdivision becomes aware of any election contest in connection with this Joint Election. The election records must be preserved until any election contest is completed and a judgment, if any, becomes final. See Section 1.013 of the Texas Election Code.

13) **EARLY VOTING**

- b) **This sub-paragraph applies only to a joint election with no partisan candidate on any ballot.** Participating Political Subdivisions may recommend people to the Elections Administrator to serve as a deputy early voting judge/clerk. If a Participating Political Subdivision recommends a person not listed in "Attachment D" and that recommendation conflicts with the recommendation from any of the other Participating Political Subdivisions involved in the election in that polling place, the Elections Administrator will conduct a drawing by lot from the recommendations to determine the deputy early voting judge/clerk. Once a person has been notified of his or her selection as deputy early voting judge or deputy early voting clerk, no changes may be made by any of the Participating Political Subdivisions.
- c) Any qualified voter for this Joint Election may vote early by personal appearance at the main early voting polling place or at one of the early voting branch polling places listed in Attachment B. The Elections Administrator, her agent or assignee will conduct a criminal background check (in accordance with statutory requirements) of any person who is expected to or scheduled to serve or work in this Joint Election. Any person that does not satisfactorily pass the criminal background check will be ineligible to serve or work in this Joint Election. Failure to obtain a criminal background check does not release the participating entity's obligation to pay for service rendered in good faith.

15) ELECTION REPORTS

During the early voting period for this Joint Election, the Elections Administrator will deliver daily reports to each Participating Political Subdivision of the Early Voting Location Turnout Totals and Early Voting Roster. The day after the early voting period ends, the Elections Administrator will deliver to each Participating Political Subdivision, a Daily Early Voting Roster by precinct report that includes the entire Early Voting period. Pursuant to the Texas Election Code §87.121, the Elections Administrator will deliver these election reports by website posting, e-mail, or facsimile.

16) WITHDRAWAL FROM CONTRACT

- a) No deposits will be refunded after the deadline to withdraw from this Election Services Contract has passed.
- b) In order to withdraw from this Election Services Contract, a Participating Political Subdivision must deliver to the Elections Administrator any certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.
- c) The Elections Administrator will bill any Participating Political Subdivision that withdraws from this Election Services Contract for any expenses incurred prior to the Elections Administrator receiving copies of the certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.
- d) If there are any withdrawals from this Joint Election, within ten (10) business days after the deadline for Participating Political Subdivisions to make declarations under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code, said deadline being **March 2, 2016**, the Elections Administrator will amend the attachments to this Election Services Contract as appropriate and provide updated copies of the amended attachments to all of the remaining Participating Political Subdivisions.
- e) The general supervisory fee authorized by Section 31.100 of the Texas Election Code will

not be refunded.

17) AUDITING AND PROHIBITION ON WITHHOLDING OF DEPOSITS

- a) The Dallas County Auditor will conduct a review of the deposits and expenditures related to this Election Services Contract before the Final Bill or Refund is submitted to the Participating Political Subdivisions. Refunds will be submitted as soon as practicable.
- b) The Participating Political Subdivisions may request a financial audit of the Final Bill or Refund or dispute the Final Bill or Refund under this Section, if: 1) the Final Bill exceeds ten percent (10%) of the amount of the Participating Political Subdivision's initial deposit as required in "Attachment A" to this Election Services Contract; or 2) the accounting accompanying the Refund is ten percent (10%) less than the amount the Participating Political Subdivision determines, should be refunded, after its good faith review. The request for a financial audit or dispute must be done in accordance with Section 17 (d) below.
- c) Should the events in Section 17 (b) occur, in lieu of an audit or dispute, the Participating Political Subdivision may make a request that the Elections Administrator ask the Dallas County Auditor to review the cost allocation methodology for the Participating Political Subdivision's Final Bill or Refund ("Review Request"). Participating Political Subdivisions must submit a Review Request to the Elections Administrator within five (5) business days of receipt of the Final Bill or the Refund, whichever is later. The Review Request must set forth, in detail, the basis for any challenge to the Final Bill or Refund. Corrections to the Participating Political Subdivision's Final Bill or the Refund, based on a Review Request, will be determined at the sole discretion of the Elections Administrator. A Review Request does not extend the timeframe in Section 17(d).
- d) Should the circumstances giving rise to an audit or dispute in Section 17 (b) occur, the Participating Political Subdivision may send a formal written notice of dispute of the Final Bill or Refund ("Dispute Notice") to the Elections Administrator. This Dispute Notice must be received by the Elections Administrator no later than thirty (30) calendar days from the date the Participating Political Subdivision receives the Final Bill or Refund. This Dispute Notice must provide: 1) an itemization of the disputed charge(s) by the Participating Political Subdivision; 2) the basis for the dispute; 3) the methodology showing how the Participating Political Subdivision arrived at the amount disputed; and 4) documentation in support thereof. The Participating Political Subdivision will have no right to withhold any undisputed amounts set forth in this Election Services Contract or reflected in the Final Bill. Payment of undisputed amounts in the Final Bill must be made by the Participating Political Subdivision as set forth in Section 10 (e) of this Election Services Contract.
- e) Failure of the Participating Political Subdivision to submit a timely Dispute Notice, as set forth in Section 17(d), shall waive any and all disputes, claims, or challenges to the Final Bill or Refund by the Participating Political Subdivision. The entire amount of the Participating Political Subdivision's Final Bill shall be due immediately; or, any estimated

refund amounts will become final.

- f) If the Participating Political Subdivision files a timely Dispute Notice in compliance with Section 17(d), the Participating Political Subdivision will have the right to conduct a good faith financial audit ("Financial Audit") for the deposits and expenditures related to this Elections Services Contract. In conducting the Financial Audit, the Participating Political Subdivision will have no greater right to demand access to or copies of the County's governmental or election records than those rights specified in the Texas Election Code and the Texas Public Information Act. The cost of any Financial Audit conducted by the Participating Political Subdivision shall be borne by the requesting Participating Political Subdivision and may not be paid for with funds deposited with the Dallas County Treasurer under this Election Services Contract. Further, the Participating Political Subdivision conducting the Financial Audit shall pay the Elections Administrator the reasonable costs for time expended and copies provided in order to perform the Financial Audit. If the Financial Audit identifies overcharges by the Elections Administrator of more than ten percent (10%) of the initial deposit amount required by "Attachment A", the Elections Administrator will review and assess the findings of the Financial Audit and will negotiate, in good faith, to resolve any disputes for overcharges with the Participating Political Subdivision. The Elections Administrator shall not be bound by the findings or recommendations of the Participating Political Subdivision's Financial Audit. The financial records will be retained at the County Election Administrator's office until the conclusion of the Financial Audit and resolution of all outstanding audit disputes.
- g) In the event the representatives of the Participating Political Subdivision and the Elections Administrator cannot agree on the amount of the disputed Final Bill as set forth in this Section, then the Parties may agree to submit to non-binding mediation. If mediation is acceptable to both parties to resolve a dispute concerning the disputed Final Bill, the parties will agree to use a mutually agreed-upon mediator. Unless the parties come to a written agreement at mediation, the mediation will not constitute a final and binding resolution of the dispute.
- h) The Participating Political Subdivision acknowledges that the practical effect of the Participating Political Subdivision withholding undisputed funds that are required under this Election Services Contract would result in breach of this Elections Services Contract and the other Participating Political Subdivisions' taxpayers subsidizing the withholding Participating Political Subdivision's election expenses.
