

GUIDED PATHWAY: ACCOUNTING A.A.S.

BUSINESS, HOSPITALITY and GLOBAL TRADE CAREER PATH

For more information, visit the [Dallas College Accounting webpage](http://www.dcccd.edu/Accounting) [www.dcccd.edu/Accounting] and your academic advisor at your campus.

This is an example course sequence for students interested in pursuing Accounting. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an Associate of Applied Science degree in Accounting. Students must earn at least 25% of the credit hours (15 hours) required for graduation through instruction by Dallas College. See catalog for [official degree requirements](#).

The A.A.S. degree in Accounting is designed to prepare students for various career opportunities in accounting. Emphasis is placed on accounting procedures and generally accepted accounting principles. This program is intended to provide a foundation on which the graduate can build an accounting career through expanded experiences and/or further education. Completing the courses on this degree also completes the [Accounting Assistant](#) (AA) and [Accounting Clerk](#) (AC) Certificates. The student should apply for each certificate as it is completed. See the catalog for more information.

Visit www.ntxccc.org/pathways to view guided pathways created for students who complete an A.A.S. degree and the options for transfer. Speak with an academic advisor at your college to choose courses that will help you to transfer to a specific university.
