

GUIDED PATHWAY: DENTAL HYGIENE

A.A.S. HEALTH SCIENCES CAREER PATH

For more information, visit the [Dallas College Dental webpage](http://www.dcccd.edu/Dental) [www.dcccd.edu/Dental] and your academic advisor at the El Centro Campus.

This is an example course sequence for students interested in pursuing the Dental Hygiene Associate of Applied Science Degree. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an Associate of Applied Science (A.A.S.) degree in Dental Hygiene. Students must earn at least 25% of the credit hours (15 hours) required for graduation through instruction by Dallas College. See catalog for [official degree requirements](#).

The A.A.S. degree program in Dental Hygiene Program is a two-year, 68 credit hour program leading to the Associate of Applied Science Degree. The program prepares graduates to be eligible to take the National Board Dental Hygiene Examination (NBDHE) and a regional clinical board to apply for licensure by the Texas State Board of Dental Examiners to become a Registered Dental Hygienist (RDH). The program is accredited by the American Dental Association Commission on Dental Accreditation (CODA): 211 East Chicago Ave., Suite 1900; Chicago, IL 60611; Telephone: 800-621-8099; website: www.ada.org/en/coda. This program has specific admissions requirements and requires a criminal background check and drug testing. The two-year Dental Hygiene program begins each fall semester in August with a maximum capacity of 20 students. Selection for the program happens through a competitive application process. Refer to the [program information packet](#) for application filing deadlines. Courses that complete the degree are noted below. You must earn a grade of "75%" or better in each DHYG course to continue in the program.

Catalog Year	2020-2021	You may use this pathway if you entered Dallas College on or before this date.
Degree Type	Associate of Applied Science	
GPA Requirement	Student must earn a GPA of 2.0 or higher.	
<u>TSI</u>	Must be Complete	

SEMESTER-BY-SEMESTER MAP FOR FULL-TIME STUDENTS

All plans can be modified to fit the needs of part-time students. This is not an official degree plan. See catalog for [official degree requirements](#).

AAS DEGREE MINIMUM: 68 SEMESTER CREDIT HOURS

PREREQUISITES

Total Hours: 16

BIOL 2401 – Anatomy and Physiology I *Prior to registration you must earn a grade of "C" or better in BIOL 1406.*

BIOL 2402 – Anatomy and Physiology II *Prior to registration you must complete BIOL 2401.*

BIOL 2420 – Microbiology for Non-Science Majors *Prior to registration you must complete BIOL 1406 or BIOL 2401.*

CHOOSE ONE: **CHEM 1411** – General Chemistry I *This is a Core course. Must earn a grade of "C" or better.*

CHEM 1405 – Introductory Chemistry I *This is a Core course. Must earn a grade of "C" or better. OR*
