The Associate of Arts in Teaching (A.A.T.) is a Board-approved collegiate degree program consisting of lower-division courses intended for transfer to baccalaureate programs that lead to initial Texas teacher certification. This plan is for those who are interested in earning certification to teach 4th – 8th grades in a generalist classroom setting or Special Education at all levels.

This pathway is an example course sequence for students interested in transferring to UNT to pursue the bachelor's degree in Interdisciplinary Studies, with certification in grades 4-8, on track for additional certifications in Social Studies. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn the A.A.T. 4-8 (Generalist)/EC-12 Special Education degree. Students must earn at least 25% of the credit hours (15 hours) required for graduation through instruction by Dallas College. See catalog for [official degree requirements](#).

Visit www.dcccd.edu/transfer and select "Transfer from Dallas College" then click on UNT to view more information about transferring to that institution. Speak with your academic advisor to choose courses that will help you pursue Teaching as a major at UNT.
