

GUIDED PATHWAY: CHEMISTRY (For Transfer to UT Dallas)

ENGINEERING, TECHNOLOGY, MATHEMATICS and SCIENCES CAREER PATH

For more information, visit the [Dallas College Chemistry webpage](http://www.dcccd.edu/chemistry) [www.dcccd.edu/chemistry] and your academic advisor at your campus.

Chemistry is involved in all human activities, from growing and cooking food to launching a space shuttle. Understanding at least basic chemistry is critical for medical fields, most science-related professions, and diverse careers from industry to government and academia. The guided pathway in Chemistry will provide a foundation for you to complete courses toward an Associate of Science (A.S.) that will help you transfer to the University of Texas at Dallas (UT Dallas) to earn a Bachelor of Science in Chemistry. The bachelor's degree in chemistry opens the door to a career in laboratory sciences, industry, education, environmental establishments, and many more areas.

This is an example course sequence for students interested in pursuing Chemistry. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an A.S. degree, which will increase your chances of transfer to bachelor's-level programs at UT Dallas. Courses that complete the degree are noted below. Students must earn at least 25% of the credit hours (15 hours) required for graduation through instruction by Dallas College. See catalog for [official degree requirements](#).

Visit www.dcccd.edu/transfer and select "Transfer from Dallas College" then click on UT Dallas to view more information about transferring to that institution. Speak with your academic advisor to choose courses that will help you pursue Chemistry as a major at UT Dallas.

Catalog Year	2020-2021	You may use this pathway if you entered Dallas College on or before this date.
Degree Type	Associate of Science	
GPA Requirement	Student must earn a GPA of 2.0 or higher	
TSI	Must be Complete	

SEMESTER-BY-SEMESTER MAP FOR FULL-TIME STUDENTS

All plans can be modified to fit the needs of part-time students. This is not an official degree plan. See catalog for [official degree requirements](#).

DEGREE MINIMUM: 60 SEMESTER CREDIT HOURS

PATHWAY REQUIREMENTS

Total Hours: 10

The following are prerequisites courses for MATH 2413.

MATH 1314
MATH 1316
MATH 2412

CONSIDER COMPLETING BEFORE TRANSFER

MATH 2318
MATH 2415
PHYS 2426

SEMESTER 1

Total Hours: 14

[ENGL 1301](#) – Composition I *This is a Core course. Must earn a grade of "C" or higher.*

[MATH 2413](#) – Calculus I *This is a Core course. Must earn a grade of "C" or higher. Prerequisites of MATH 1314, MATH 1316, MATH 2412, prior to enrolling in the course.*

[EDUC 1300](#) – Learning Framework *All college students with fewer than 12 semester credit hours of successful college credit (grade of "C" or above) must take a student success course in the first semester.*

[CHEM 1411](#) – General Chemistry I *This is a Core course. Prerequisite of MATH 1314, or equivalent academic preparation, prior to enrolling in the course.*

SEMESTER 1 ACTION ITEMS

1. Meet with your advisor to confirm your academic and career goals by the end of the semester.
2. At the end of the semester, begin researching information at UT Dallas, to major in Chemistry.
3. Meet with a career advisor/coach to research your career options with a Chemistry degree.

SEMESTER 2

Total Hours: 14

[ENGL 1302](#) – Composition II *This is a Core course.*
[HIST 1301](#) – United States History I *This is a Core course.*
[MATH 2414](#) – Calculus II
[CHEM 1412](#) – General Chemistry II *This is a Core course.*

SEMESTER 2 ACTION ITEMS

1. Meet with your advisor to request an official program of study audit and confirm or update your academic/career pathway and program of study.
2. Ask about transfer advising to discuss options to pursue the bachelor's degree at UT Dallas.
