

GUIDED PATHWAY: KINESIOLOGY

HEALTH SCIENCES CAREER PATH

For more information, visit the [Dallas College Physical Education webpage](http://www.dcccd.edu/PE) [www.dcccd.edu/PE] and your academic advisor at your campus.

This guided pathway prepares you to transfer to a university to earn a bachelor's degree in Kinesiology. Kinesiology is a broad field with over 30 different career options. These are most often designated as tracks or specializations and grouped as follows: Exercise Science/Fitness, Athletic Training, Health, Allied Health (Occupational Health, Pre-PT, etc.).

This pathway is an example course sequence for students interested in pursuing Kinesiology. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an Associate of Arts degree, which will increase your chances of transfer to bachelor's level programs. Students must earn at least 25% of the credit hours (15 hours) required for graduation through instruction by Dallas College. See the catalog for [official degree requirements](#).

Visit www.dcccd.edu/transfer and select "Transfer from Dallas College," then click on a university to view more information about transferring to that institution. Speak with your academic advisor to choose courses that will help you to transfer to a specific university.

Catalog Year	2020-2021	You may use this pathway if you entered Dallas College on or before this date.
Degree Type	Associate of Arts	
GPA Requirement	Student must earn a GPA of 2.0 or higher	
TSI	Must be Complete	

SEMESTER-BY-SEMESTER MAP FOR FULL-TIME STUDENTS

All pathways can be modified to fit the needs of part-time students. This is not an official program of study. See the catalog for [official degree requirements](#).

DEGREE MINIMUM: 60 SEMESTER CREDIT HOURS

SEMESTER 1 Total Hours: 16
