

GUIDED PATHWAY: LOGISTICS DISTRIBUTION TECHNICIAN CERTIFICATE

MANUFACTURING and INDUSTRIAL TECHNOLOGY CAREER PATH

For more information, visit the [Dallas College Logistics webpage](http://www.dcccd.edu/logistics) [www.dcccd.edu/logistics] and your academic advisor at your campus.

This is an example course sequence for students interested in pursuing the Logistics, Supply Chain Management, and Manufacturing Technology – Logistics Distribution Technician Certificate. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn the Logistics, Supply Chain Management, and Manufacturing Technology – Logistics Distribution Technician Certificate. Courses from this certificate may apply to the related A.A.S. degree. Students must earn at least 25% of the credit hours required for graduation through instruction by Dallas College. See catalog for [official certificate requirements](#).

The Logistics, Supply Chain Management, and Manufacturing Technology – Logistics Distribution Technician Level I Certificate is an industry certification program designed to develop the skills and knowledge necessary to enter the growing fields of logistics, advanced manufacturing, transportation, and warehousing. Courses that complete the Logistics Distribution Technician Certificate are noted below.

Students pursuing this certificate are waived from the [Texas Success Initiative \(TSI\)](#) standards, but must meet course prerequisites, as long as the student completes the TSI waiver form prior to enrollment.

Catalog Year	2020-2021	You may use this pathway if you entered Dallas College on or before this date.
Degree Type	Level I Certificate	
GPA Requirement	Student must earn a GPA of 2.0 or higher
