

GUIDED PATHWAY: ORACLE ASSOCIATE SKILLS ACHIEVEMENT AWARD

ENGINEERING, TECHNOLOGY, MATHEMATICS and SCIENCES CAREER PATH

For more information, visit the [Dallas College Computer Information Technology webpage](http://www.dcccd.edu/CIT) [www.dcccd.edu/CIT] and your academic advisor at your campus.

This is an example course sequence for students interested in pursuing the Computer Information Technology Programming Awards. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn the Oracle Associate Skills Achievement Award. Courses from this certificate may apply to the related A.A.S. degree. Students must earn at least 25% of the credit hours required for graduation through instruction by Dallas College. See catalog for [official certificate requirements](#).

This sequence is for students who wish to prepare for the Oracle Certified Associate (OCA) certification exam. At this apprentice skill level, Oracle Associates have a foundation knowledge that will allow them to act as a junior team member working with database designers, administrators or application developers performing simple, operational tasks on an Oracle database with database software and graphical utilities associated with managing the database. Courses that complete the certificate are noted below.

Students pursuing this certificate are waived from the [Texas Success Initiative \(TSI\)](#) standards, but must meet course prerequisites.
