

GUIDED PATHWAY: PARAMEDIC CERTIFICATE

HEALTH SCIENCES CAREER PATH

For more information, visit the [Dallas College Emergency Medical Services webpage](http://www.dcccd.edu/EMSPparamedic) [www.dcccd.edu/EMSPparamedic] and your academic advisor at the El Centro Campus.

This is an example of a course sequence for students interested in pursuing the Paramedic certificate. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn a certificate in Paramedic. Students must earn at least 25% of the credit hours required for graduation through instruction by Dallas College. See catalog for [official certificate requirements](#).

The Paramedic Certificate takes approximately six and a half months to complete. The certificate program will train you to provide advanced prehospital and interfacility care to a wide variety of patients. Learning environments include classroom instruction, laboratory sessions, hospital rotations, and an ambulance internship with emphasis on emergency medicine. The Paramedic certificate program incorporates credentialing in Advanced Cardiac Life Support (ACLS), Pediatric Education for Prehospital Professionals (PEPP), and International Trauma Life Support (ITLS). Courses that complete the Certificate are noted below.

Students pursuing this certificate are waived from the [Texas Success Initiative \(TSI\)](#) standards, but must meet course prerequisites, as long as the student completes the TSI waiver form prior to enrollment.

Catalog Year	2020-2021	You may use this pathway if you entered Dallas College on or before this date.
Degree Type	Level I Certificate	
GPA Requirement	Student must earn a GPA of 2.0 or higher	
TSI	May be Exempt	

SEMESTER-BY-SEMESTER MAP FOR FULL-TIME STUDENTS

All plans can be modified to fit the needs of part-time students. This is not an official degree plan. See catalog for [official certificate requirements](#).

CERTIFICATE MINIMUM: 42 SEMESTER CREDIT HOURS

PREREQUISITES Total Hours: 10
