

GUIDED PATHWAY: PEDIATRIC CARDIAC SONOGRAPHY ADVANCED TECHNICAL CERTIFICATE HEALTH SCIENCES CAREER PATH

For more information, visit the <u>Dallas College Cardiac Sonography webpage</u> [www.dcccd.edu/CardiacSono] and your academic advisor at the El Centro Campus.

This is an example course sequence for students interested in pursuing Pediatric Cardiac Sonography. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn a Pediatric Cardiac Sonography Advanced Technical Certificate. Students must earn at least 25% of the credit hours required for graduation through instruction by Dallas College. See catalog for official certificate requirements.

The Pediatric Cardiac Sonography Certificate Option is for a student having at least a previous Associate Degree in a designated allied health field or a B.S. degree with a major in a science discipline with substantial patient care experience. Potential students will be considered on an individual basis to determine if they have an adequate background in anatomy and physiology, college algebra, pathophysiology, pharmacology, and physics. A background in basic ECG is also required. Upon completion, a certificate will be awarded. Courses that complete the degree are noted below.

Catalog Year	2020-2021	You may use this pathway if you entered Dallas College on or before this date.
Degree Type	Advanced Technical Certificate	
GPA Requirement	Student must earn a GPA of 2.0 or higher	
<u>TSI</u>	Must be Complete
