

GUIDED PATHWAY: CREDENTIAL FOR CRITICAL CARE PROFESSIONALS ENHANCED SKILLS CERTIFICATE

HEALTH SCIENCES CAREER PATH

For more information, visit the [Dallas College Emergency Medical Services webpage](http://www.dcccd.edu/emspamedic) [www.dcccd.edu/emspamedic] and your academic advisor at the Brookhaven Campus.

This is an example course sequence for students interested in pursuing the Credential for Critical Care Professionals Enhanced Skills Certificate. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn the Enhanced Skills Certificate in Emergency Medical Services – Credential for Critical Care Professionals. Students must earn at least 25% of the credit hours required for graduation through instruction by Dallas College. See catalog for [official certificate requirements](#).

The Credential for Critical Care Professionals Enhanced Skills Certificate program combines classroom teaching with supervised clinical and field experience for medical professionals seeking certification as a Paramedic with the Texas Department of Health Services. The student will be introduced to patient assessment, airway, medical, pediatrics, obstetrics, geriatrics, and trauma management from a pre-hospital care perspective along with the psychomotor skills to support these activities. An associate's degree or higher in the health care discipline is required. Courses that complete the Enhanced Skills Certificate are noted below.

Catalog Year	2021-2022	You may use this pathway if you entered Dallas College on or before this date.
Degree Type	Enhanced Skills Certificate	
GPA Requirement	Student must earn a GPA of 2.0 or higher	
TSI	Must be Complete
