

INTERNATIONAL ENGAGEMENT
AND GLOBAL COMPETITIVENESS

The Office of International Engagement and Global Competitiveness (IEGC) facilitates Dallas College's global initiatives that will enhance opportunities for students, faculty and staff.

- **INSPIRE**

Increase interest in international engagement with faculty, students and staff through local and global learning opportunities.

- **EDUCATE**

Collaborate with Dallas College academic and student success divisions, local community organizations and global consortiums to promote global citizenship curriculum and engagement to develop intercultural literacy.

- **GLOBALIZE**

Enhance global engagement and promote a globally minded competitive workforce through Educational Service Agreements with international universities and Memorandums of Understanding (MOU) agreements with community and industry partners.

- **CREATE**

Encourage learning environments that promote civility and intercultural engagement in personal, professional and academic settings through innovative internationalization practices.

SPECIAL ACADEMIC PROGRAMS

Special Academic Programs, a division of the Office of International Engagement and Global Competitiveness, enhances student learning by connecting academic content with hands-on experiences. Special Academic Programs offer career-specific programming and builds leadership and learning opportunities for students, faculty and staff. Please contact us to learn more about these programs.

IEGC STRATEGIC PRIORITIES

VIRTUAL AND COIL (COLLABORATIVE ONLINE INTERNATIONAL LEARNING) EXCHANGE

We offer virtual learning experiences that connect our students and faculty with international and global universities and colleges through educational partnership agreements.

GLOBAL CITIZENSHIP CURRICULUM

We integrate global perspectives into curriculum to promote intercultural literacy and the interconnectedness of our local and international communities.

STUDY ABROAD AND IN-COUNTRY LEARNING

We facilitate study abroad and local learning to enhance cultural exchange programs, academic and language initiatives, and community engagement learning.

INTERNATIONAL WORKFORCE SKILL DEVELOPMENT

We provide internship and global minded exchange opportunities for students to engage with local and global industries.

ABOUT DALLAS COLLEGE

Dallas College was founded in 1965, and consists of seven campuses: Brookhaven, Cedar Valley, Eastfield, El Centro, Mountain View, North Lake and Richland. Dallas College offers online learning and serves more than 122,000 credit and continuing education students annually. Dallas College also offers dual credit for students in partner high schools and early college high schools throughout Dallas County. Students benefit from partnerships with local business leaders, school districts and four-year universities, and Dallas College offers associate degree and career/technical certificate programs in more than 100 areas of study, as well as bachelor's degrees in education and nursing. Based on annual enrollment, it is one of the largest community colleges in the U.S.
